	HEALTH CARE/INSURANCE SOURCES	
Insurance:  1. Health (e.g., Medicare) and Health     Maintenance Organizations (HMOs)  2. Long-Term Care	These types of insurance programs can potentially cover home modification but with great variation.  1. <b>Health insurers</b> , including some HMOs, may consider home modifications as part of a comprehensive package of resources for prevention. Medicare does not cover home modification but will cover some related durable medical equipment, however, as of	<ul> <li>Target Populations         <ul> <li>Homeowners</li> <li>Renters</li> </ul> </li> <li>How to Access: Contact your insurance plan or employer (if your insurance is provided by your employer)</li> </ul>

3. Life	<ul> <li>2018, Medicare Advantage programs have the option of covering basic home modifications as part of the Supplemental benefits.</li> <li>2. Long-Term Care plans may have home modification-related coverage in a rider paid in addition to basic premiums.</li> <li>3. Impairment Related Work Expenses (IRWE) can be used by Social Security Disability (SSDI) and SSI recipients for costs for home modifications, equipment and assistive technology and are deducted from the earnings used to calculate benefit payments (this means benefits are reduced less than they otherwise would be because a lower earnings figure is used). These costs may also be deductible from personal income taxes.	Target Populations      Homeowners     Renters     Those with extremely low income     People with disabilities
HOUSING/COMMUNITY DEVELOPMENT FUNDING SOURCES		

Community Development Block Grants (CDBG), Department of Housing and Urban Development (HUD)  • CDBG Entitlement Program https://www.hudexchange.info/programs/cdbg-entitle ment/  • State CDBG Program https://www.hudexchange.info/programs/cdbg-state/  Find your local CDBG Grantees here: Local Grantees by State	CDBG is a funding stream allocated by the Department of Housing and Urban Development (HUD) to state and local governments to support housing, community, and economic development needs including home repair/improvement.  The CDBG Entitlement Program provides annual grants on a formula basis to entitled cities and counties to develop viable urban communities by providing decent housing and a suitable living environment, principally for low- and moderate-income persons.  Under the State CDBG Program, states award grants to smaller units of general local government that develop and preserve decent affordable housing and provide services to the most vulnerable in our communities. Annually, each State develops funding priorities based on need and criteria for selecting projects.	Target Populations
HOME Program, U.S. Department of Housing and Urban Development (HUD) <a href="https://www.hud.gov/program_offices/comm_planning/home">https://www.hud.gov/program_offices/comm_planning/home</a> To learn who offers HOME in your area, use the "Find A Grantee" box on the left of the page below. Search by state and then check the HOME Investment Partnerships Program box. <a href="https://www.hudexchange.info/grantees/">https://www.hudexchange.info/grantees/</a>	A number of years after CDBG was established, HOME was created as a block grant allocated to states and communities to solely focus on housing. It funds many home repair efforts nationwide.	<ul> <li>Target Populations</li> <li>Homeowners</li> <li>Renters</li> <li>Those with low income</li> <li>Older adults</li> </ul>
Local Housing/Neighborhood Agencies (Neighborhood Housing Services)  For related information, visit: http://www.neighborworks.org  To find local agencies, do an online search with your city name and "Neighborhood Housing Services" or use this locator to identify NeighborWorks affiliates in your area: http://www.neighborworks.org/Our-Network/Network-Directory	Some towns and/or counties have neighborhood or local agencies (often nonprofit) that offer home improvement advice and/or funding, including home repair programs. Neighborhood Housing Services are one type.	Target Populations      Homeowners     Renters     Landlords     Those with low income     Older adults     People with disabilities
State Housing Finance Agencies (HFAs) https://www.ncsha.org/about-us/about-hfas/ Illinois Housing Development Authority http://www.ihda.org	State HFAs (which can go by a variety of names) assist low- and moderate-income households by lending funds that: assist first-time buyers to purchase homes, finance construction/repairs, develop supportive housing for seniors and persons with disabilities, and operate low-interest loan and deferred loan home improvement programming. They also provide funds to developers creating new single-family homes	Target Populations      Homeowners     Renters     Landlords     Those with low income     Older adults

The extent of rehabilitation ranges from \$5,000 to the reconstruction of a home as long as the existing foundation system remains in place.
Home Equity Line of Credit	Home equity lines of credit may be used for home improvements and accessed when the need arises. Homeowners can borrow money that must be repaid with interest. The homeowner's residence is used as collateral for the loan.	Target Populations
Home Equity Loan	Homeowners can take out a second mortgage loan to finance home modifications. This separate home improvement loan is repaid in addition to the existing first mortgage.	Target Populations
Lender Unsecured/Personal Loans	For less expensive modifications, a homeowner or renter can apply for a personal loan at their bank. This is a helpful source for renters since no mortgage is placed on the property to secure the debt.	Target Populations
Mortgage Refinancing	Refinancing pays off the existing first mortgage loan to purchase a property and creates a new one that can provide funds for an improvement project such as home modifications (if the value of the property has grown over time and/or depending on how much of the property value the owner has paid off).	Target Populations

Remodeler Donated Financing	Remodelers may self-fund all or part of a home modification project for a	Target Populations

The property's title is turned over to the lender in exchange for the payment(s). Funds could be used to make changes to their homes.	Target Populations
Secured Loans Against Homeowner's Bank Accounts	Homeowners can take out a personal loan against their own financial assets held by their local bank to fund home modification projects. If a household has an adequate certificate of deposit (CD) with a long term, a lender may allow borrowing against it to fund less expensive modifications. The household may be eligible to receive up to a certain percentage of the CD's value (e.g., 80%) for a term shorter than the CD's, or if the CD is renewed when its term expires, the loan against it may be extended.	Target Populations
Secured Loans Against Homeowner's Financial Investment Accounts (Margin Loan)	A margin loan is money typically borrowed from your bank or investment firm to buy additional shares or managed funds. Often, the proceeds from a margin loan can be used for other purposes such as real estate investments or improvements. As an investment strategy, a margin loan can be a successful way to grow wealth. A margin loan is usually offered at below market interest rates as you are basically borrowing one's own	Target Populations  ■ Homeowners  How to Access: Contact your local banking institution.

Crime Victims' Benefits, U.S. Department of Justice  https://ovc.ojp.gov/help-for-victims/overview  Illinois Crime Victim Compensation Program http://www.ag.state.il.us/victims/cvc.html	States have programs that provide compensation when a person is injured or dies when a crime is committed against them. Beneficiaries may include the victim, their families, and/or a person paying a victim's expenses. Awards might cover home accessibility modifications, when applicable. Compensation is paid only when other financial resources, such as private insurance and offender restitution, do not cover the loss.	Target Populations      Homeowners     Renters
Social Security Title XX Social Services, U.S. Department of Health and Human Services (HHS)  https://www.acf.hhs.gov/ocs/resource/ssbg-fact-sheet  To locate your state office: https://www.acf.hhs.gov/ocs/resource/ssbg-contacts	Administered by the federal Department of Health and Human Services (HHS), states distribute Social Services Block Grant funds through regional offices that assist households facing emergencies (e.g., major housing or medical problems). They can support households already receiving public assistance. Assistance may include installing very basic modifications like a ramp, hall rail, or bathroom grab bars.	Target Populations
Workers' Compensation, U.S. Department of Labor  Illinois Workers' Compensation Commission <a href="https://www2.illinois.gov/sites/iwcc/Pages/default.aspx">https://www2.illinois.gov/sites/iwcc/Pages/default.aspx</a>	States administer programs that provide financial assistance for workers injured on the job. Workers' Compensation programs usually fund modifications or purchasing/leasing another unit if the worker cannot adequately perform everyday functions at home.
